

NAME / Faroe - bathtub

DESIGN / Piero Lissoni / 2018

INSPIRATION / The generous size of the basin is achieved through rounded lines in Cristalplant®, which shapes the geometrical volume. Cristalplant® is a highly technological material, pleasantly velvety to the touch and able to maintain its features over time.

DESCRIPTION / Following the success of the Fisher Island tub, a new design that resonates its shapes and edges, but with a more generous basin and a rounded rectangle.

Cristalplant® allows iconic shapes and designs.

TECHNICAL FEATURES / Moulded bathtub in Cristalplant®, matt white or white + grey Soft Touch.
Dimensions: H.475 x L.1700 x D.900 mm.
