### **SALVATORI + BOFFI**

Salvatori and Boffi have long shared a passion for excellence and quality, an engrained spirit of innovation and, above all, an innate understanding of what makes great design. Now the two brands have teamed up in a partnership epitomising the best of Made in Italy. The collaboration sees Salvatori providing its proprietary stone products on an exclusive commercial base for Boffi's new kitchen and bathroom collections.

For decades Boffi has been considered the leader in its field with its reputation for designing beautiful contemporary kitchens and bathrooms which stand the test of time whilst Salvatori is renowned for its innovative work in transforming natural stone into unique, elegant textures and products.

Drawing on their respective areas of expertise, the result is a collection which perfectly fuses craftsmanship with technology, natural stone with cutting-edge man-made materials and practicality with aesthetics.

### **SALVATORI**

Salvatori is an award-winning third-generation Italian design company specialising in natural stone. Founded in 1946, it is renowned for its innovative and elegant products created in its Tuscan headquarters just a few kilometres south of the famed Carrara marble quarries. From stunning textures for walls and floors, to bathroom items and products for the home such as tables, lighting, mirrors and decorative pieces, the Salvatori brand has become the global benchmark in the "design meets natural stone" field.

Flagship showrooms: Milan, London, Zurich

### **PRODUCTS**

#### **Gris du Marais**

Gris du Marais is a classic marble, characterised by its elegant dappled grey veining and warm, almost brown, undertones. Exclusive to Salvatori, its low absorption rate makes it an ideal choice for kitchens and bathrooms.

#### **Crema d'Orcia**

A creamy coloured limestone, exclusive to Salvatori, Crema d'Orcia's soft bright hues bring warmth and elegance to any environment.

#### **Pietra d'Avola**

A rich chocolatey limestone, Pietra d'Avola is a dark, intense and elegant stone which can vary in shade from greyish-brown to almost black. A hardwearing stone, it is ideal for interior usage and high foot-traffic areas.
